

OUR DONOR ASSURANCE STATEMENT

Every donation received by **NETWORK** is used to carry out the Mission as designated by the donor, or if undesignated, as determined by the current needs of Emergency Services, The Seniors' Net, and our Adolescent and Children's Clinic.

We are confident that 85 % of every monetary donation we receive goes directly to these programs.

Our volunteers annually contribute over 46,000 hours and food contributions annually exceed 450,000 lbs.

We are mindful of your trust when you make a donation of any type to **NETWORK**, and we take that responsibility very seriously.

Your generosity and caring spirit enable **NETWORK** to *offer a new day a new way* in the lives of others.
Thank You.
